

## NEW TOOLS

### 37980 ELECTRICAL DISCONNECT PLIERS, 60°

Angled Tips for Easier Access to Hard-to-Reach Connectors.

Easily removes locking push tab style electrical connectors found on mass air flow sensors, fuel injectors, ignition coils and other applications. Use the hook on the end of the pliers to pull out tab to unlock the connector and then use the point to engage the tab. Squeeze the tabs together and lift to separate the connector from sensor without damage. Spring action allows the technician to use the tool with one hand, and to work on sensors in tight spots. Dual durometer grips for comfort.

37980 Electrical Disconnect Pliers, 60°. Skin-packed. Shipping wt. 8 oz.

### 23900 MAGNETIC BOX HOLDER

Two Formed Box Holder Bars Fit Different Sized Cardboard Towel Dispenser Boxes.

Two spikes on each steel holder keep the box in place whether dispensing from the top, bottom or front. Spikes are constructed in an opposing orientation to keep the box from slipping. Each holder has two strong magnets to securely attach to ferrous metal surfaces, keeping towels within reach.

23900 Magnetic Box Holder. Box. Shipping wt. 1 lb. 11 oz.
